

Topics related to Mining Exploration, Reserves Evaluation and Mining methods		
No.	Title of course	Credits
Compulsory Courses		
1	Mine Exploitation (underground mining methods)	6
2	Open Pit Mining and Quarrying	6
3	Soil and Rock Dynamics	6
4	Mineral and Solid Waste Processing I	6
	Total compulsory courses	24
Elective Courses		
1	Geophysical Digital Signal Processing	6
2	Geostatistics	6
3	Safety, Health and Environment	6
4	Mine waste management and deposition technologies	6
	Total elective courses	≥6
