

# DBE Seminars

## Autumn 2020

Zoom meetings (for details, please email [rosa.dbe@tecnico.ulisboa.pt](mailto:rosa.dbe@tecnico.ulisboa.pt))

TÉCNICO  
LISBOA

Department of Bioengineering  
Instituto Superior Técnico

19 October 2020  
14h00-15h00

**Teresa Correia**

**Seeing is Believing: Advances in Biomedical Imaging for an Improved Understanding and Diagnosis of Disease**

School of Biomedical Engineering and Imaging Sciences, King's College London

9 November 2020  
14h00-15h00

**Alexandra Carvalho**

**Rational protein design for polymeric nanoparticles and genetic tools**

Rational Protein Engineering Group, Centre for Neuroscience and Cell Biology, University of Coimbra

30 November 2020  
14h00-15h00

**Ana Lanham**

**Opportunities for biotechnology to deliver a water circular economy**

Department of Chemical Engineering, University of Bath

14 December 2020  
14h00-15h00

**Simão Rocha**

**From reprogramming to disease modeling: the assets and drawbacks of induced pluripotent stem cells**

Institute for Bioengineering and Biosciences (iBB) and Institute of Molecular Medicine (iMM), University of Lisbon
