

IST – LNEC Joint doctoral Initiative

List of Dissertation Proposals, 4th Edition

(please indicate your order of preference and [submit this form online](#))

Numerical and Physical Modelling of Wave Propagation over Vegetation		
IST: António A. Pires Silva	LNEC: Conceição Fortes	
Change in Hydrological Extremes		
IST: Maria Manuela Portela	LNEC: Rui Rodrigues	
Beach morphodynamics modelling for the improvement of coastal protection solutions		
IST: António Trigo Teixeira	LNEC: Filipa S. B. F. Oliveira	
Modelling a wastewater treatment plant into a water, energy and nutrients factory		
IST: Filipa Ferreira	LNEC: Rui Viegas	
Sediment removal efficiency of settling basins		
IST: António Heleno Cardoso	LNEC: Elsa Alves	
Performance of shoreline evolution strategies		
IST: António Trigo Teixeira	LNEC: Francisco Sancho
